

DECLARATION OF COMPATIBILITY

On the basis of the conformity assessment procedures and developed technical documentation, declare with full responsibility that our product:

THERMAL BAGS ELECTRIC HEATED

implement the following elementary requirements:

SAFETY

Low Voltage Directive (LVD) 2006/95/WE
implemented Dz. U. Nr 155/2007 poz. 1089
and harmonized standards:

PN-EN 60335-2-81:2003/A1:2007

PN-EN 60519-3:2006

PN-EN 60519-10:2008

ELECTROMAGNETIC COMPATIBILITY

Directive (EMC) 2004/108/WE
implemented Dz. U. Nr 82/2007 poz. 556
and harmonized standards:

PN-EN 55014-1:2007

PN-EN 55014-2:1999/A1:2004

PN-EN 60730-2-9:2006

PN-EN 60947-3:2002

and can be safely operated in the range of established parameters, without endangering the health, human life, property and the environment. In view of the above, from the day 1.02.2010 we mark our products European CE Safety sign.

Protocol to make the conformity assessment procedures, technical documentation and user manual are available on <http://furmis.pl>, and the manufacturer shall keep them for a period of 10 years from the date of the producing last unit.
